

# METIDJI MOHAMED AMINE

Web developer

Medea, Medea, Algeria (Open to relocation) | +213562519164 | metidjimohamedamine8@gmail.com

<https://www.linkedin.com/in/momodev> | <https://www.momodev.cc>

## OBJECTIVE

---

Frontend Engineer with 4+ years building responsive, high-performing web apps with React. Comfortable owning the full cycle from translating designs into clean code to integrating APIs and shipping to production. I work well independently and thrive in remote, collaborative teams

## EXPERIENCE

---

Pwc, algeria, hydra

02/2026 - 07/2026

<https://pwc.algerie.pwc.fr/fr/>

### IT consulting intern SAP S/4HANA

- Assisted in solving 10 client-specific technical challenges by bridging the gap between legacy processes and modern SAP Fiori standards through targeted technical documentation and tutorials.

KIG, Algeria, Staoueli

06/2024 - 03/2026

<https://sarlkig.com>

### Web developer

- Worked with React to build responsive, scalable web applications alongside UI/UX designers and a team of 5 developers, implemented Agile workflows that kept execution tight, contributing to the growth in partnership-driven projects

brainerX, Algeria, Hydra

03/2025 - 09/2025

<https://brainerx.com>

### Web Development Mentor

- Upskilled 100+ students and junior developers by creating hands-on frontend (HTML, CSS, JavaScript, React) and backend (Node.js, Express, MongoDB) exercises, along with personalized code reviews to boost full-stack development skills

Content Creation | Self-Initiated

09/2025 - PRESENT

<https://www.instagram.com/momodev.cc>

### Tech Content Creator

- Create educational content on web development, UI/UX design, and product strategy, reaching 10,000+ learners through tutorials and posts that simplify complex tech concepts.

Startup Ministry, Algeria, Algiers

04/2023 - 05/2023

### Intern Web Developer

- Improved ERP usability and performance by developing modular UI components and integrating 8 optimized frontend features.

Google Developer Group (GDG), Algeria, Medea

06/2021 - 04/2024

### IT team Lead

- Led 10+ events and workshops and conducted technical training for over 1,000 attendees, fostering high engagement within the tech community.
